*Truck Partners Needed!*

Carpenter's Place (CP) is in need of volunteers who own a truck and are willing to help with furniture pick ups. CP provides furniture to homeless adults that secure housing while in their case management program. Members of our community are wonderful about donating the needed items. Some can deliver the items while others don't have any way to get their furniture to CP. In these cases, the help of people who have a truck is needed. CP is happy to provide individuals to help with the lifting and loading. Drivers with a truck are the critical need.

Anyone willing to fill this need may call Carpenter's Place at 815-964-4105 and talk with Terry, Yvonne, or Cathy or email [CathyB@carpentersplace.org](mailto:CathyB@carpentersplace.org).
