GUEST HIGHLIGHTS

Marc

Congratulations to Marc on his Drug Court graduation!

John

Our guest John obtained new teeth and a hair cut. This transformed his self-esteem and confidence, as well as the way he presents himself. He has obtained housing and is now looking for work. Looking great, John!

Tresa

On two separate occasions Tresa volunteered to help with clean-up without being asked by anyone and stayed each day an extra two hours to help clean up in the afternoon – when asked why, she said “she just wants to give back to the community”. She said it makes her feel good to do this. We applaud her for her efforts!!!
