through which over \$136,500 was raised! These funds will impact the on-going work of CP and the new Employment Program House!

IT'S ALL ABOUT CHANGING LIVES!

In August, a group of CP housing guests went to Springfield to the Supportive Housing Coalition to let their voices be heard concerning housing programs. Thanks to board member Lou Setter and his wife, Sue, for driving!

Thanks to St. James Catholic Church, who has adopted CP this year and has already collected many items from our needs list! They are just one of many churches who faithfully support CP! THANK YOU!
