### A NEW HOME!

James successfully completed the Rockton House Transitional Housing Program and obtained his own apartment in the Faust Landmark Building. We wish James all the best in his new home!

### I'M THANKFUL FOR...

- > My apartment, having strength, and getting a job.
- > For God just loving me.
- > God, family and friends.
- > Safe place to live and Carpenter's Place.
- > Eternal life for everyone and not waking up dope sick.

### A MOMENT TO REMEMBER

Permanent Supportive Housing guest, Charlie saved his income for a year to fly to St. Petersburg FL to visit his son and two grandkids. This was his first flight and first time to see the ocean!

### CREATIVE COLLECTION

We are so grateful for supporters like Todd Bell. He organized a fun Charity Dart Tournament. His creative entry fee resulted in much-needed items for our guests, and a generous cash donation. Major thanks to Todd and everyone who played in the tournament!

### CASE MANAGEMENT PARTNERSHIP

We're proud to announce a new case management collaborative has been initiated between Carpenter's Place and Zion Development for their Grand Apartments permanent supporting housing residents. May it be a win for all involved.
