

CARPENTER'S PLACE

Providing the tools for rebuilding lives.

JANUARY 2015

In Review

Driven to Give

Through Lincoln's "Driven to Give" program, and your help, Manley's Belvidere Ford Lincoln raised \$4,980 for Carpenter's Place. We're grateful for dedicated partners like this that allow us to continue our mission. Thank you to everyone who came out for a test drive!

Italian Lunch Donation

Big thanks to Giordano's for providing a delicious and filling lunch for our guests in January! They loved it!

Puppy Volunteer

Eager to be with us at Carpenter's Place, Maggie is our newest "New Friends" volunteer. Her warm personality was a delight to all!

Planned GIVING

A bequest in your will or trust is the most common planned gift made to Carpenter's Place and can be an excellent way to support our mission. For more information about the many ways you can make an impact through estate gifts, please visit our website and click on Donations > Estate Giving.

Also, if you'd like to discuss planned giving, please contact Kay Larrick by phone at 815-964-4105 ext. 211 or by email at KayL@carpentersplace.org. She'd love to hear from you.

{ JANUARY BY THE NUMBERS }
18 guests obtained housing
11 secured employment; **10** full time

THANK YOU for all donations received during our "December Double Dollars" campaign! We reached our fundraising match goal thanks to your compassionate generosity and thoughtful giving. From all of us at Carpenter's Place thank you, thank you, thank you!!
