SUMMER HARVEST

David proudly displays the harvest from our CP garden!

TRANSPORTATION TOOL

Clinton was very grateful when he received his bike in July!

INTERN OF THE MONTH

Walter did a great job as intern!

CLEAN FEELS GREAT!

Eddie was officially the first guest to use our new washer and dryer that a generous Cosmo Club donation made possible. And Ginny, who has done laundry at CP for 15 years, is also thrilled with the new washer and dryer. Thanks Cosmos!

NOTRE DAME SUMMER SERVICE STUDENT

Whether in the kitchen or at a desk, Sarah, our Notre Dame Summer Service Student was enthusiastic and ready to serve. She quickly became part of our CP family and after 8 weeks, her departure left guests and staff missing her. Thanks for your service this summer, Sarah!

MEAL SERVICE WITH A SMILE

Some of the CP Board and their family members joyfully served lunch to our guests in July. Nothing better than service with a smile.

TEACHING THE VIRTUE OF SERVICE TO OTHERS

Jeff Beto (right) joined John Rose and his beautiful wife and daughters to provide and serve lunch to our guests. The grilled brats and sides were a real hit!

JULY BY THE NUMBERS

8 men and women in our case management program secured employment; 6 full-time! And 26 obtained housing.

Through a generous grant from Rockford Park District, our guests enjoyed time at Lockwood Park. A picnic, horseback riding (many for the first time) and a hay rack ride were highlights of the day.
