JUNE 2015

In Review

A Brand New Smile :)

Ron in our Permanent Housing Program got new dentures in June! He began losing his teeth 25 years ago because they were rotting. He says he pulled the last one out about 15 years ago. Thanks to Dr. Roger Schmidt, Ron has a lot to smile about!

Keys to Success!

Brent displays the keys to his new apartment in Success House, our employment housing program, that he calls home as of June 30.

Graduation Success

Congratulations to Matt who graduated from the TASC program! He worked really hard, pushed through all the struggles, and stayed committed to recovery! His case manager, Sandra, is very proud of him and sees only good things in the future for Matt.

Veterans Update

CP Veteran guest Robbie (Army), CP intern Nan Hill and CP Veteran guest John (Navy) enjoyed a homemade lasagna dinner complete with garlic bread, fresh salad and ice cream at their monthly House Meeting. One new housing veteran not pictured, Reuben (Marines), secured a job within less than two weeks of entering our housing. Congratulations Reuben! And thank you to all Veterans for your Service to our Country!!!
