

June 2013: Gratitude and Celebration Abounds at CP

(Above) Alan, CP guest/intern and Kye (Right) New Friends therapy dog, Wynni, joined the team in June! Therapy dogs come each week to love on our guests (and staff), and we love them!

In June, CP was able to purchase new furniture from Vaughn's for our Permanent Housing Program. Not only did they deliver the new, they graciously took away the old furniture. A very big thanks to Vaughn's!

In CP's Rockton House Program, Brendon and Ron both completed a full month in their new jobs, Elvin started a new job in his chosen field, and Barry was promoted to Manager in Training! Congratulations, guys! We are proud of your hard work and know the best is yet to come!

Jake and Carl of The Flossie Foundation heard the CP story one Sunday at church, came for a tour, and surprised CP with a very generous check!

On Thursday June 27, we celebrated the 5th Anniversary of CP Veteran's Transitional Housing Program. Over the last 5 years, we have had over 22 veterans take part in the housing program! Pictured above is Vet House Case Manager Patty Quinn with Harry and Tom. It was a great celebration of our vets!
