PROVIDING THE TOOLS FOR REBUILDING LIVES

LET GO AND LET GOD

We all need a moment of restoration to allow us time to reset so that we can be open to what God is preparing us for...

We have been blessed by our partnership with City First Church over the years, as they allow women from our staff and programs to attend their Original Women's Conference to experience the greatness of God. This year, several women from our Family Services program attended with their case manager, Joy. At the conference, Shaquita (one of the moms in the program) had a life altering experience and she made the decision to be baptized. She truly "Let go and let God." Shaquita along with other amazing women in the program were grateful to have been given this opportunity to attend the conference and look forward to applying all they have learned. Congratulations on your baptism, Shaquita!

CARPENTER'S CORNER - DONATIONS NEEDED

With the opening of our second thrift store, we are in need of donations - and customers! If you're thinking of cleaning and organizing, donating to Carpenter's Corner is a wonderful way to support the homeless in our community!

MAKING A HOUSE A HOME

Carol has been working hard on her goals, one of which was securing an apartment. With nothing to fill her apartment with, she was grateful for Carpenter's Place support. Carol and case manager, Tina, went "shopping" at Carpenter's Corner to pick out furnishings to help make Carol's house a home. Congratulations, Carol! Wishing you the best on this next chapter of your journey!

JUNE OPEN MEALS

Volunteers say serving a meal to the homeless guests we serve is one of the most rewarding things they have experienced. Typically, we serve 60 for breakfast and 80-100 at lunch. The dates we need someone to serve a meal this month are:

BREAKFAST: 6, 11, 16, 18, 20, 25, 27, 30

LUNCH: 13, 23

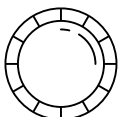

To provide a meal, or make a monetary donation towards a meal, please contact Rani at RaniG@carpentersplace.org or 779-210-2975.

WELCOME, JESS!

We are thrilled to welcome Jess as the new Employment & Education Case Manager! Originally from Illinois, she recently moved back from Arizona. In her most recent job, she was a vocational services manager. She is experienced in helping clients work through barriers to access jobs, education, and learning life skills. She served clients that were 14 years of age and up with mental health issues, substance use, homelessness, and disabilities. Jess says she was interested in Carpenter's Place because of its community reputation and wanting to work for a faith based organization. We are so glad to have you here, Jess!
